RAs,

On our call on Thursday October 4, I said I would share with you the types of enforcement claims I get briefed on (in addition to all judicial referrals). Sorry for the delay. Here they are:

Deliberative Process / Ex. 5

We are briefed regularly on the major judicial cases of any type, including Superfund. And Patrick has weekly meetings with the Air Enforcement Staff on their docket.

In addition, attached is OECA's Nationally Significant Issues memo. This memo describes types of claims where Regional enforcement staff is asked to engage with HQ for notice, consultation, or concurrence (mostly delegated below the AA level). I rely on staff judgment for briefings on cases raising nationally significant issues that fall outside the above list.

Susan
